The 1st National Conference on Pig Sciences & Technologies (PST2025)

[HTTPS://VPO.TODAY](https://vpo.today)

Dong Nai, January 18th, 2025

ANNOUNCEMENT 1

To Whom It May Concern:

Vietnam National University of Forestry at Dongnai (VNUF2) coordinates with Animal Husbandry Association of Cantho (AHAC) and Vietnam Pig Operation (VPO) to organize the 1st National Conference on Pig Sciences and Technologies (PST2025).

Organizers

Vietnam Pig Operation (VPO)

Animal Husbandry Association of Can Tho (AHAC)

Time & Venue

Date: May 24th - 25th, 2025

Venue: Vietnam National University of Forestry at Dong Nai (VNUF2) (No. 98, Tran Phu street, Trang Bom town, Dong Nai district, Vietnam)

Objectives

To create conditions for organizations and individuals working, studying, researching, doing business, etc. in the pig industry ecosystem and related fields to meet, exchange, promote cooperations, boosting the Vietnamese pig industry to grow healthier and more sustainable.

Topics

PST2025 focuses on sharing and discussing the following 13 topics:

- 1) Pig breeding & genetics industry;

- 2) Pig nutrition & feed industry;
- 3) Pig health management;
- 4) Pig farm management;
- 5) Pig industry value chain management;
- 6) Environment management in pig industry ecosystem;
- 7) Pig products quality management;
- 8) Risk management in the pig industry ecosystem;
- 9) Pork products processing;
- 10) New technologies in pig industry ecosystem;
- 11) Pig welfare;
- 12) Policies for pig industry development;
- 13) Sustainable human resources for the pig industry ecosystem.

PST2025 looks forward to welcoming leading experts and technicians in the pig industry ecosystem to join and support activities including:

- 1) Science and technology presentation sessions on 13 topics aforementioned (from basic to applied sciences, from farm to fork);
- 2) Trade promotion forum;
- 3) Discussion/Q&A on productivity management, disease management, risk management, etc.;
- 4) Training in specialized techniques and professional skills;
- 5) Career orientation and job opportunities for students;
- 6) ...

(Organizations can register to organize each special program/activity cluster).
